One: Creator God, when you made this dynamic and ever-changing world,

Many: you included us among its living creatures.

One: When we long for company through the changes,

Many: Christ, walk with us.

One: When we're unsure how to move forward,

Many: Spirit, guide us.

One: When we feel it's all too much, and we need comfort,

Many: God, surround us with your love.

***This summer there are activities for those (children AND adults) who wish to use them to help focus, through coloring, drawing or making bracelets and for those who would like a special quiet activity mostly related to the theme of transformation. They are available in the shelves at the back of the worship space after children's time. You can also find children's bulletins based on the scripture.

***Hearing assistance in our new worship space: Our new worship space now has two systems to help people with hearing loss participate more fully in our life together.

1. You may still use the familiar FM system with a receiver and an ear speaker or headphones from the sound booth.
2. The new system is a Hearing Loop that you can access if your hearing aids have t-coils. To use it, find a seat in the worship space and turn on the t-coils in your hearing aids.
