Assembly Covenant

As a community of God's people, we receive with joy God's gracious love.

In response, we join in worship and praise
and make this covenant with God and with each other.

We affirm our faith in God, the source
of life and love, the Sovereign of the world.

We commit ourselves to follow Jesus Christ, who redeems,
reconciles, and reveals God to us.

We invite God's Spirit to transform, empower and guide us,
as together we discern and follow God's word.

We pledge to nurture and care for each other and
call out the gifts of each person.

We repent of sin, both private and social, and join God's plan for
healing the earth and bringing peace and justice to its people.

We accept God's call to share the good news of redeeming love,
and invite others to faith in Christ and membership in his church.

We encourage and pray for each other as we live out this covenant
in hope for the time when God brings all of creation to its fullness in Christ.

-Covenant: adopted March 1993
